Rules for trees, state of license for tapping of sapling-producing trees and for clearing of under-wood.

No. 2645 section of the forests designated under clause 21 of Government Notification No. 485, dated 12th July 1936, published on page 2280 and 1294 of the Fort St. George Gazette, dated 26th September 1936, Part I, as amended by Government Notification No. 121, dated 19th March 1936, and its explanation of Government's Notification No. 7, dated 26th July 1936, the Commissioner of Forests and Agriculture hereby prescribes the following rules for the main Act, of license under section 12 of the Indian Forest Act of 1906, for the tapping of sapling-producing trees and for the clearing of under-wood, to take place in the following local areas from the 1st day of October 1937:

(1) The villages in the agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Mysore district excluding the Coimbatore taluk and the Anaimalai range of the Nilgiris district.

(3) The Pudukkottai State.

(4) Tree-tapping licenses shall be issued on the application—

(a) of licensed teddy choppers in areas in which the teddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privileges of manufacture and supply of licensed teddy saws;

(c) of persons on their own application in the South Arcot district provided that the application for license is accompanied by an application for a permit for the transport of the teddy saws to some particular shop and that the latter application is sanctioned or acknowledged to be correct by the shopkeeper in whose shop the teddy is to be taken;

(d) of tree-owners generally, and of sapling-producing trees in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district, in the Raichur and Koppal taluks of the Coimbatore division and in the S. K. Taluk, Nilgiris and Kottar taluks of the Nilgiris district, for not more than five trees in the case of tree-owners and three trees in the case of sapling-producing trees for the clearing of under-wood required for domestic consumption, but not for sale;

(e) of teddy shopkeepers or retailers in the Mysore territory and in the Pudukkottai State desiring to obtain teddy from trees growing in British territory;

(f) of teddy shopkeepers in the Pudukkottai State desiring to obtain teddy from trees in British territory provided that the application is certified or countersigned by the district and District Inspector of the State; and of teddy retailers in the Coimbatore State; and

(g) of any member of a hill tribe whether a trader or not residing in Madakkallam, Adiyaman, Madakkallam and Madakkallam villages of Pudukkottai State or in any of the villages of the Pudukkottai district specified in Schedule II, for not more than five trees for such licensed for domestic consumption, but not for sale.

In cases (1), (2) and (3) the license may be issued on the name of the applicant himself or of his nominee, and it may be (a), (b), (c) and (d) in the name of the applicant only.

5. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fee for the first installment thereof, as the case may be, due as account at the time when they desire to tap, into a Government treasury, which may be either the district treasurer or a taluk treasury. Government reserves only the income from the villages in revenue payments on account of tree-owners and to grant receipts therefor in the case of persons mentioned in rule 2 (a) and (b) the license must be paid into a Government treasury of the taluk in which the shop is situated or in an authorized village treasury in cases where the license is issued on the name of the taluk, and the receipt countersigned shall be a declaration in the application to the effect that the fees have been obtained in full, payment or in security for a shop which remains open for not less than one month after the date of the receipt. The shop license may be produced before the village treasurer in cases where the application and fees are presented to him in a village treasury, when applying for trees in British territory, must pay the full stop-tap fee to a British treasury at the rate prevailing in British territory.

6. (1) Applications for the grant of tree-tapping licenses must be made at the Government House in Mysore, Mysore Department, in charge of the work in which the trees are situated. Forms may be obtained from the Inspector of the Forests Department and from the District and District Treasurers and will be supplied free of charge. Applicants must bear a complete stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a receipt of payment of the fees in full, or if payment has been made to a village bank, the receipt must accompany the application. License holders and shopkeepers applying for trees in British territory should pay the fees into the Mysore Auditor's treasury and should present before the District Collector or Deputy District Collector, along with the application on Form T.T. 3, the receipt with the auditor's certificate as to the fact to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. Applications from Mysore natives for licenses for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the Village Headman of the village in which the trees are situated in order of the execution of the license concerning the ownership of the trees. The license should be submitted at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the North Arcot district should be accompanied by an owner or person in possession of the trees intended to be cleared in token of his consent.

7. Teddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of teddy to their shops in payment of the whole of the license in one instalment. In the British territory of the Madras division and subject to such restrictions regarding permits, etc., as may be provided in this behalf, the rate of license to be paid in such cases will invariably be the higher rate in force. If the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to reserve in a district in the territory, a tract for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the British and the Mysore Governments with regard to the use of trees for the purpose of tree-tapping in other territory as the application of license or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Mysore Presidency or in Mysore with a view to afford such material for other industrial uses and the area payment of tree-tapping into a British or Mysore treasury does not entitle an applicant to tapping license for trees so reserved.

8. (1) Teddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in the State on payment of tree-tax into the Pudukkottai State Treasury, the license being given in the Revenue District. Teddy shopkeepers in Pudukkottai State will be allowed to tap trees in the adjoining British territory on payment of license in the property of the taluk in which the trees stand. Teddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of license to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Teddy shopkeepers in British territory adjoining Coimbatore State may be allowed to tap trees in that State on payment of full license to that State at the higher of the rates prevailing on both sides of the frontier.

A Coimbatore State meter applying for trees in British territory must pay full license in one instalment to the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the District Collector or Deputy District Collector concerned an application which must be countersigned by the District Treasurer of the State. The District Collector of the State is also empowered to supply with an application after which the license is issued and the license and permit issued by the British District Inspector shall correspond with the permits for which license has been paid as provided under the tree-tapping rules in

law in the Cuckoo State. The license and permit issued in the State under by the British Inspector shall be liable to examination at convenience at the request of the Cuckoo State Officer.

2. Persons applying for the issue of license will be responsible to Government for all taxes payable as detailed on account of the fees issued to be repaid.

3. (1) Unless there are special reasons for refusing to make the issue, the Inspector on receipt of an application will at once take steps for the marking of the trees in or about 1 inch and leave them a day before the day of the issue of the license. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applications for trees shall not be made in the morning when, when required by the holder to do so, the trees applied for by them, should they fail to do so after reasonable notice the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Nellore and Guntur taluqs of the Guntur district, in the Kaniyal, Atmakur, Kaniyal and Kaniyal taluqs of the Nellore district and in the villages of the Agency tracts specified in

Schedule I, trees intended for the drawing of licensed toddy and those for the drawing of toddy shall, as far as possible, be in separate lots or blocks.

4. Collector may, from time to time, prescribe the maximum number of trees to be entered in an application. They may also direct that the trees entered in one village only shall be included in one application.

- (v) in section 192, the second proviso to clause (b) of sub-section (2) shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

Under the Madras City Municipal Act, 1916, the Madras District Municipalities Act, 1920, and the Madras Local Boards Act, 1920, no deposit may be required from candidates standing for election in certain cases, namely, (a) candidates standing for election to seats reserved for members of the scheduled castes or for labour in the Corporation of Madras, (b) candidates belonging to the scheduled castes standing for election to any seat, whether reserved for them or not, in a district municipality or in a local board, and (c) candidates standing for election to panchayats. In order to avoid the indiscriminate filing of nominations by those exempted without regard to their chances of success at the elections, it is proposed to delete the exemptions, and make suitable provision in the election rules, requiring the candidates in question to make such deposits as may be considered appropriate to their case.—See clauses 2 (i), 3 (iii) and 4 (v) of the Bill.

2. The Madras District Municipalities and Local Boards Acts, as they now stand, provide that wards or circles in which seats have not been reserved for minority communities or for women shall return only one member. It is not always easy to divide a municipality or local board area into as many wards or circles as there are unreserved seats. Such a division often involves the disadvantage of splitting up compact areas. It is proposed to permit the creation of

multi-member constituencies for the purpose of electing members to non-reserved seats—See clauses 2 (i), 4 (i) and (ia) of the Bill.

2. Section 22-A (3) (4) of the Madras Local Boards Act provides for the president of the district board appointing a member of the panchayat to be its temporary president and convene a meeting of the panchayat for the election of the president. This provision has led to the charge in some cases of postponement of the presidential election by the temporary president with a view to the prolongation of his own term of office, or irregularities in the conduct of the election with a view to have himself or some other partisan declared elected to the office of president. It is therefore considered desirable to authorize a person appointed by an impartial outside agency to conduct the presidential election. The intention is that ordinarily a Tahsildar, Deputy Tahsildar or Revenue Inspector, or the District Panchayat Officer, should be entrusted with this function—See clause 4 (j) of the Bill.

4. Under clauses (a), (c) and (e) of section 161 of the Madras City Municipal Act, buildings and lands used for certain charitable purposes are exempt from property tax. The buildings and lands are entitled to exemption although they are owned not by the charitable institutions but by other persons to whom rent is payable by those institutions. The benefit of the exemption thus accrues not to the institutions but to the owners of the properties. It is therefore proposed to withdraw the exemption in such cases. A similar withdrawal is necessary in cases governed by the Madras District Municipalities and Local Boards Acts. The opportunity has been taken to bring the provision regarding charities in the District Municipalities and Local Boards Acts into line with the corresponding provision in section 161 (b) of the City Municipal Act. Charities governed by the District Municipalities and Local Boards Acts will hereafter be exempt only if no rent is charged for their occupation or if the rent charged for their occupation is used exclusively for charitable purposes—See clauses 2 (vi), 3 (4) and 4 (ix) of the Bill.

Under the proviso to rule 73 of the Madras Assembly Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information :—

A Bill further to amend the Madras City Municipal Act, 1919, for a certain purpose.

WHEREAS it is expedient further to amend the Madras City Municipal Act, 1919, for the purpose of providing for the reconstitution of the council of the Corporation of Madras once in every three years; It is hereby enacted as follows :—

1. This Act may be called the Madras City Municipal (Amendment) Act, 1939.

2. The term of office of the councillors and aldermen who under the Madras City Municipal Act, 1919 (hereinafter referred to as the said Act) will vacate their offices at noon on the first day of November 1939 shall extend instead, up to noon on the first day of November 1940 and the term of office of the councillors who under the said Act will vacate their offices at noon on the first day of November 1941 shall expire instead at noon on the first day of November 1940; and the provisions of the said Act as amended by sections 3 and 4 of this Act shall have effect accordingly.

3. In section 58 of the said Act—

- (i) in sub-section (1), clause (c) and the word "and" occurring at the end of clause (b) shall be omitted, and at the end of clause (a) the word "and" shall be inserted; and
- (ii) in sub-section (3), for the expression "clause (c)", the expression "clause (a)" shall be substituted.

4. In sub-section (1) of section 56-C of the said Act, for the first sentence beginning with the word "Vacancies" and ending with the words "as

Certain vacancies shall be filled up by the Council of the Corporation of Madras on the first day of November 1939 and the term of office of the councillors who under the said Act will vacate their offices at noon on the first day of November 1941 shall expire instead at noon on the first day of November 1940.

Amendment of section 58 of Madras Act IV of 1919.

Amendment of section 56-C of Madras Act IV of 1919.

councillors on the said day", the following sentence shall be substituted, namely:—

"Vacancies arising by efflux of time in the office of aldermen shall be filled by election at a meeting of the persons who on the first day of November on which such vacancies will arise will enter upon office as councillors."

STATEMENT OF OBJECTS AND REASONS.

Under the Madras City Municipal Act, 1913 (Madras Act IV of 1913) as it now stands, fifteen out of the forty-five divisional councillors of the Corporation of Madras have to retire from office every year on the first day of November by rotation, and the vacancies so caused have to be filled at annual elections. The Corporation has suggested that a system of general triennial elections may be adopted in place of the existing system of partial annual elections and has requested the Government to amend the Act suitably. The idea that the creation of a certain number of annual vacancies and elections thereto will ensure a continuity of civic interest and freedom from political commotion has not been resisted. On the other hand, it is urged that an election campaign every year interferes with normal civic work and is not desirable.

2. Bombay and Calcutta have the system of triennial elections. So also have all other municipalities and local boards in this Presidency. The Government consider that there is no sufficient reason for adopting a system different from all other municipalities only in the case of the Corporation of Madras. The Bill accordingly provides for triennial elections to all the 45 divisional seats with effect from the year 1940, by extending the term of office of the councillors who will vacate office in November 1920 until November 1940, and curtailing the term of office of the councillors who will vacate office in November 1941 by one year. Provision has also been made for extending the term of office of the non-developed corporations and aldermen which is due to expire this year until November 1940. The entire reconstitution of the council of the Corporation of Madras once in every three years is thus provided for.
